

**RENAISSANCE MICRO-CRYSTALLINE WAX/
POLISH** from England has been the #1 choice of major museums, art galleries and institutions for the preservation of their precious pieces. Professional conservators, retailers, amateur restorers and private individuals throughout the world depend on *Renaissance Wax* to protect their collections and for home use.

CLEANS BEAUTIFULLY

Lifts oil, dirt and the murky accretions of other polishes. The surface detail remains crystal clear through unlimited applications of this translucent wax.

- Removes previous wax build-up
- Reveals fine detail & wood grain
- Non-staining, non-abrasive

RESTORES AND ENHANCES

Revitalizes and returns your objects to pristine condition. *Renaissance Wax* buffs easily to a hard, transparent finish that will not discolor.

- Renews fading colors and "tired finishes"
- Retains matte finish when unpolished
- Buffs to a high gloss
- Reduces shine of new picture varnish

POLISHES AND PROTECTS

Guards your precious pieces against the damaging effects of humidity, heat, dust, environmental destruction, aging and ordinary wear.

Renaissance Wax provides a barrier against fingerprints and the devastation of water, wine, alcohol and other spills. Due to its high moisture resistance, it forms a durable, lustrous protective coating.

- Prevents tarnish, corrosion and "bloom"
- Remains completely waterproof
- Retards weathering on exteriors and objects exposed to climatic abrasion.

A LITTLE GOES A LONG WAY... AND LASTS A LONG TIME

Excellent spread-ability and indefinite shelf life make *Renaissance Wax* economical and convenient, even for very large objects and infrequent use. A small dab goes a long way, unlike most waxes that need generous application. Use a minimal amount of *Renaissance Wax*, rub lightly and buff. The long-lasting preservation reduces the need for frequent maintenance.

- Airtight container keeps wax in perfect condition
- Easy to spread, no caking or drying out
- Indefinite shelf life
- No "polish" smell
- No added fragrance to endanger material

Renowned for its quality, consistence and reliability, ***Renaissance Micro-crystalline Wax/Polish*** is the premier choice in a field that requires materials of impeccable performance.

SAFE FOR ALL THESE MATERIALS:

Wood - Raw & Finished
Leather
Parchment & Paper
Metal
-Silver & Silver plate
-Gold
-Copper & Copper Alloys
(Bronze, Brass, Tin, Zinc,
German Silver, Nickel)
-Lead & Pewter
